2016 CRUSADERS TEAM OVERVIEW

★ 2026-27 SEASON ★

LOVE THE GAME. + BE A GREAT TEAMMATE. + WORK HARD.

1

OVERVIEW – WHAT WE'RE BUILDING

Last season, we learned how to become a **Team**. This season, we will learn how to play as one. While our commitment to being great teammates remains unchanged, our expectations on the ice will continue to grow. We will focus on developing smarter hockey players through improved game sense, stronger individual skills, and a deeper understanding of team tactics. Our objective is to play fast, think faster, and trust one another to make the right play at the right time.

★ SEASON GOALS ★

TEAM WORK

— Great teams don't happen by accident.

Every player is expected to establish daily habits that support the Team: arrive early, be mentally and physically prepared, work with purpose, and contribute positively to the group. We don't wait to be motivated—we create energy through our preparation and work ethic.

HOCKEY SENSE & GAME AWARENESS

Teach players to think the game one step ahead. Through improved awareness, anticipation, communication, and tactical understanding, players will learn to make quicker, smarter decisions and consistently put themselves and their teammates in better positions to succeed.

COMPETITIVE MINDSET

Create a culture where players compete every day—against themselves, alongside their teammates, and against every opponent. We will celebrate hard work, embrace challenges, and build confidence through preparation, resilience, and relentless effort.

MENTAL STRENGTH & EMOTIONAL MATURITY

Build players who compete with confidence, recover quickly from setbacks, and remain composed in challenging situations. Through goal-setting, accountability, and self-reflection, players will develop the mindset to lead themselves and support their teammates.

IF WE LOVE THE GAME, WORK HARD, AND
PUT THE TEAM FIRST, **GREAT THINGS WILL HAPPEN.**

★ NOW LET'S GO **BUILD SOMETHING SPECIAL.** ★

2016 CRUSADERS FINAL WORD

★ 2026-27 SEASON ★

LOVE THE GAME. + BE A GREAT TEAMMATE. + WORK HARD.

This season is about becoming the **best version of yourself** and helping your teammates do the same.

Every practice is an opportunity to **get a little better**.
Every game is an opportunity to **learn**.
Every challenge is an opportunity to **grow**.

We will work hard to become smarter hockey players by improving our skills, learning how to think the game, and trusting each other on the ice. We won't always be perfect, but we will always compete, support one another, and keep getting better.

Remember, confidence doesn't come from hoping you play well. **It comes from being prepared.**

BE BRAVE

enough to try new things.

BE TOUGH

enough to learn from mistakes.

BE THE TEAMMATE

that others want beside them.

IF WE LOVE THE GAME, WORK HARD, AND
PUT THE TEAM FIRST, **GREAT THINGS WILL HAPPEN.**

★ NOW LET'S GO **BUILD SOMETHING SPECIAL.** ★
